Volunteer Jobs:

Heaven is a kingdom of uses and so is the retreat!

*"We are born for no purpose but to be useful to the community we live in and to our neighbor as long as we are alive in the world, and to serve at the Lord's good pleasure in the other world."
AC 1103:2*

The biggest need is filling all the slots in the children's program. **Each parent who has children in the children's program, must sign up for a religious or recreation activity slot.** Other adults are also needed to help in the children's program. We expect our younger adults to step forward here. No one will need to miss the adult lecture, as it is given twice. Each group of children needs two adults. One person can be the leader and one a support person, or it can be done more as co-leaders. All older adults who are able to volunteer should please consider doing so as well.

The first session for the children is a religious lesson/project/activity centered on the theme of the retreat. This year it is the Ten Commandments. More children's program info to come.

The second session for the children is a recreational activity to be determined by the leaders. Suggestions are board games, craft projects, ping pong, shuffleboard, miniature golf, volleyball, gaga ball, playground, hike, and so on.
